

ALASKA SEA GRANT

# Alaska Seas and Rivers Teacher Workshop

Join us to update and expand the  
Alaska Seas and Rivers Curriculum

June 9 - 20, 2008

Kasitsna Bay Laboratory

Don't miss this opportunity to:

- Increase your content knowledge of marine/aquatic environments.
- Assist in the development of inquiry units of instruction for statewide use.
- Participate in field trips and classroom activities with visiting scientists, content experts, and master teachers.
- Earn three credits from the University of Alaska Fairbanks.

Who: Teachers of grades 6 - 8

When: June 9 - 20, 2008

Where: Kasitsna Bay Laboratory, Seldovia, Alaska

The goal of this workshop is to develop three new curriculum guides for the Alaska Seas and Rivers Project. These guides will be designed for use with grades 6-8. Participating teachers will be expected to field test lessons in their classrooms during the 2008-09 school year.

**Tuition, travel, food, lodging, and a stipend will be provided.**

**Space is limited, so apply early!**

**Application Deadline: March 14, 2008**
