

# Contents

## **Preface**

## **Synthesis of Symposium**

### **Off the Hook? Initiatives to Reduce Seabird Bycatch in Longline Fisheries**

*John Cooper, John P. Croxall, and Kim S. Rivera*

### **Reducing Seabird Bycatch in Longline Fisheries by Means of Bird-Scaring Lines and Underwater Setting**

*Svein Løkkeborg*

### **Effect of Line Sink Rate on Albatross Mortality in the Patagonian Toothfish Longline Fishery**

*Graham Robertson*

### **Incidental Catch of Seabirds by Longline Fisheries in Alaska**

*Robert A. Stehn, Kim S. Rivera, Shannon Fitzgerald, and Kenton Wohl*

### **Deterring Albatrosses from Contacting Baits During Swordfish Longline Sets**

*Christofer H. Boggs*

### **The Black-Footed Albatross Population Biology Workshop: A Step to Understanding the Impacts of Longline Fishing on Seabird Populations**

*Katherine L. Cousins*

### **Molecular Genetic Markers in the Analysis of Seabird Bycatch Populations**

*Scott V. Edwards, Mónica C. Silva, Theresa Burg, Vicki Friesen, and Kenneth I. Warheit*

### **Central California Effort and Bycatch of Sensitive Species, 1990-98**

*Karin A. Forney, Scott R. Benson, and Grant Cameron*

## **Novel Tools to Reduce Seabird Bycatch in Coastal Gillnet Fisheries**

*Edward F. Melvin, Julia K. Parrish, and Loveday L. Conquest  
(Afterword by C. Harrison)*

## **Abstracts**

### **Results of Seabird Avoidance Experiments and Observations of Bycatch Reported by Fishermen to IPHC Samplers in Alaska and Canadian Ports in 1998**

*Robert J. Trumble and Tracee O. Geernaert*

### **Industry Initiatives in Seabird Bycatch Avoidance**

*Thorn Smith*

### **Mortality of Migratory Waterbirds in Mid-Atlantic Coastal Anchored Gillnets During March and April 1998**

*Douglas J. Forsell*

### **Problems with Pirates: Toothfish Longlining and Seabird Bycatch at the Subantarctic Prince Edward Islands**

*Peter G. Ryan, Martin Purves, and John Cooper*

### **How the F/V *Masonic* Reached Zero Seabird Bycatch in 1998 in Alaska**

*Mark S. Lundsten*

### **Recent Distributional Records of Short-Tailed Albatross as a Tool for Longline Fisheries Management**

*Julie Michaelson, Scott Wilbor, Jane Fadeley, Judy Sherburne, Jerry Tande, Frances R. Norman, and David Cameron Duffy*

### **Bird Interactions with Salmon Drift Gillnets in Prince William Sound, Alaska: 1990 and 1991**

*K.M. Wynne*

## **Index**
