About the authors . . . . .	iv
Acknowledgments . . . . .	iv
Preface . . . . .	1
Using this guide . . . . .	2
What are seaweeds? . . . . .	6
Seaweed quick key . . . . .	16

## Green Seaweeds: Chlorophyta

Green quick key . . . . .	19
Unbranched filaments . . . . .	20
Branched filaments . . . . .	24
Spongy . . . . .	28
Tubes or sacs . . . . .	30
Blades . . . . .	34
Occasional green seaweeds . . . . .	40

## Brown seaweeds: Phaeophyceae

Brown quick key . . . . .	43
Crusts . . . . .	46
Cushions or sacs . . . . .	48
Unbranched tubes . . . . .	52
Finely branched . . . . .	56
Coarsely branched . . . . .	58
Small blades . . . . .	64
Branched with air bladders . . . . .	66
Simple bladed kelps . . . . .	68
Sieve and ribbed kelps . . . . .	76
Canopy kelps . . . . .	84
Occasional brown seaweeds . . . . .	90

## Red seaweeds: Rhodophyta

Red quick key . . . . .	95
Fleshy crusts . . . . .	98
Turf forming . . . . .	100
Corallines . . . . .	104
Tubes or sacs . . . . .	110
Finely branched . . . . .	114
Coarsely branched . . . . .	118
Thin blades . . . . .	128
Thick blades . . . . .	138
Blades with ribs or veins . . . . .	146
Other forms . . . . .	152
Occasional red seaweeds . . . . .	154

## Seagrasses . . . . . 164

## Marine lichens . . . . . 172

Selected references . . . . .	180
Glossary . . . . .	181
Index to common and scientific names . . . . .	185
