

## **Fisheries Research Roundtable**

### **Data gaps and opportunities for collaboration**

**Tuesday 12 April 2011, 2:00-5:00 p.m.**

**Fisherman's Hall (Harbor Master's Bldg, 403 Marine Way)**

**WHAT INFORMATION ARE WE MISSING? WHERE SHOULD WE GO FROM HERE?**

**HOW CAN YOU COLLABORATE IN COOPERATIVE RESEARCH EFFORTS?**

Join Kodiak residents, fishermen, researchers, and educators in an open discussion about current marine research data gaps and opportunities for future cooperative research in the Kodiak area.

In this open discussion we will

- 1) Identify current marine research data gaps and future directions
- 2) Discuss current/future opportunities for funding collaborative research through state, federal, and private grants
- 3) Discuss how we might improve communication between marine resource users and researchers/managers in Kodiak
